"I had an opportunity to display Block Mates at many different early childhood conferences and watch teachers' responses. They were intrigued; they were curious; and they were wowed by this innovative new twist on block play. What could be bad about a new block prop that would entice children to rediscover the block area? Or better yet, pique the interest of children who rarely venture into the block area."

INTRODUCING

The Hideaway Collection

Quick, simple and durable, a great new way to keep classrooms organized and efficient.

Two-step steel turnbuckle keeps the shade safely and securely attached.

5-year warranty on the heavy duty nylon shade.

Classic birch plywood construction with a durable UV finish backed by a 10-year warranty; standard on all cases.

Hiding classroom clutter and fostering an activity-based classroom – free of distraction and visual overload – now has the perfect partner in the Hideaway Collection. With a great selection of items that support classroom storage such as book browsers, multi-purpose storage units, coat lockers and a block organizer, all beautifully crafted in birch plywood with a durable UV finish, the Hideaway Collection offers a simple covered storage solution for classrooms, day care centers and other multi-use environments.

Available in both red and tan, the shades are engineered with a slow-glide closing system that is hidden within each unit. Our unique two-step steel turnbuckle latch makes securing the units a snap. The nylon shades are strong enough to withstand the rigors of daily classroom use and feature a 5-year warranty. Standard 10-year warranty on the cases.

levels of play

"Creating multilevel activity areas using an appropriately designed loft encourages individual and small-group play without herding all the children from one activity to the next. These semi-enclosed activity areas provide for private and semi-private environments which are critical to the development of the young child's self-concept and personal identity."

Louis Torelli, M.S.Ed., and Charles Durrett, Architect
