Designs crafted to inspire

Kichler is known for setting lighting design trends with popular finishes, fashion-forward collections and handcrafted details. We take great pride in the craftsmanship that we build into everything we create – from lighting to ceiling fans. The result is a collection of distinctively different products that helps express your unique style, taste and personality – whether it be casual, contemporary, urban or traditional. At Kichler, we take pride in transforming light into beautiful, functional works of art that inspire you.

Quality that shines through Before we sketch a single design, before we craft a single fan, we ask ourselves one question: how can we assure a quality product? Our commitment to unsurpassed reliability assures that the Kichler® products you select last and last. All ceiling fans are Underwriters Laboratories Certified  for the U.S. and Canada. And, our Limited Lifetime Warranty gives you added peace-of-mind.

Technology

Our CoolTouch™ Remote Control can be hand-held or wall-mounted for ease of use. Standard with Grand Décor and most Décor Ceiling Fans.

Finishes that make a statement

Adding a note of distinction to your home often means exploring the trends. Our latest finish choices give you the perfect palette to express your style, and they coordinate beautifully with the newest finishes found on hardware, furniture, and cabinetry.

Antique Leather (ALR)

Mediterranean Walnut (MDW)

Canyon Stone (CTO)

Antique Wood (AWD)

Fully coordinated collections

From ceilings to walls to hallways and beyond – look to Kichler for a distinctively different approach to decorating and lighting your home. That's because the style you select for your fan is just the beginning of the decorating possibilities available from Kichler. Many of the fans in our Grand Décor and Décor collections offer fully coordinating lighting options that help you pull a room or area together and layer with light in perfect harmony. You'll find wall sconces, island lights, chandeliers and more. Here's one example of how the distinct characteristics of one fixture flow beautifully into the next.

Grand Décor™

CEILING FANS

The grandest estates have one thing in common: *unquestionable craftsmanship*. This same attention to detail goes into our Grand Décor Collection. Designed to inspire, each fan offers hand-finished, natural wood blades. Gracious accents — like intricately detailed casting, artfully etched glass and rich finishes adorn each premium piece. Every Grand Décor fan style also comes with a CoolTouch™ Remote Control for go-anywhere ease and offers a full line of coordinating Kichler Lighting fixtures.
