

Greenlandia Pendant

Greenlandia's gentle flare and wide mouth, combined with the tapered bottom and narrow aperture make this pendant a refreshingly warm member of the Islands of Light Collection. The ring of tiny holes around the mouth of this piece allow for a warm and spreading light pattern. Beautiful in natural bisque, Greenlandia can be customized with any of our 50 hand applied finishes and decorations to make it a classically beautiful in any environment. Also see the matching sconce in this style.
