## FEATURES & SPECIFICATIONS

### INTENDED USE

Provides general illumination for outdoor spaces in residential and light commercial applications. Ideal for landscape or accent lighting.

### CONSTRUCTION

A black cast aluminum housing features a screw on base stake for easy ground installation as well as a grass guard/wall mount plate. The tempered glass lens is protected by a wire guard for added safety. The adjustable head allows for tool-free directional aiming. Includes a 3' cord and plug.

### ELECTRICAL

Dusk-to-dawn photocell automatically turns light on at dusk and off at dawn for convenience and energy savings.

Includes (1) 50W T4 single-end quartz halogen lamp with a G8 Bi-Pin base.

### INSTALLATION

Can be ground installed or wall installed.

All mounting hardware included.

### LISTINGS

UL/C-UL Certified to US and Canadian safety standards. Wet location listed.

### WARRANTY

Guaranteed for one year against mechanical defects (excludes lamp).
