

FEATURES & SPECIFICATIONS

INTENDED USE

Provides general illumination in residential applications. **If required for commercial application or operation more than eight (8) hours per day, consult factory for available options.** Ideal for use in foyers, hallways, bedrooms, offices, utility work areas, stairways and many other rooms in the house

CONSTRUCTION

The Disk emphasizes contemporary design to complement decors with a modern sensibility. A polished brushed nickel concentric, low-profile housing and a flat glass diffuser makes a subtle but bold statement. The diffuser has a frosted white screened center that provides a wide spread even illumination and its clear outer ring has a glowing effect when illuminated which is complemented by a flat polished brushed nickel disk finial. Can be wall mounted. The finial provides easy access for cleaning and maintenance.

OPTICS

Includes (1) 22W or (1) 40W circline T5 3500K fluorescent lamps for energy efficiency, superior color rendering and long life.

ELECTRICAL

Standard with electronic ballast (120 volt, 60Hz) ensures no flickering and quiet operation without interfering with other home electronics.

Use with non-dimmable switches only.

INSTALLATION

All mounting hardware included.

LISTINGS

UL listed to US and Canadian safety standards and suitable for damp locations. ADA compliant.

WARRANTY

2-year limited warranty. Complete warranty terms located at www.acuitybrands.com/CustomerResources/Terms_and_conditions.aspx

Note: Actual performance may differ as a result of end-user environment and application.

Specifications subject to change without notice.
