

FEATURES & SPECIFICATIONS

INTENDED USE

Provides general illumination in residential applications. **If required for commercial application or operation more than eight (8) hours per day, consult factory for available options.** Suspended from ceiling, ideal for over dinette tables, game tables, entertainment bars, kitchen counters, or other work areas.

CONSTRUCTION

A classic look, this transitionally styled mini-pendant is offered in either an antique bronze finish with hand-dipped, tea-stained glass shades or a brushed-nickel finish with acid-etched, frosted glass shades. Shades provide a widespread even illumination and are suspended by matching support stem and canopy.

OPTICS

Includes (1) 13W integrated GU24 spiral 2700K fluorescent lamp/ballast (see note below) for energy efficiency, superior color rendering and long life.

ELECTRICAL

Standard with electronic ballast (120 volt, 60Hz) ensures no flickering and quiet operation without interfering with other home electronics.

Included lamps are for use with non-dimmable switches only. If fixture is supplied with integrated lamps/ballasts and tall sockets (see note below), dimmable lamps (CF15INLB27 GU24 DIM) can be used (sold separately).

INSTALLATION

All mounting hardware included.

LISTINGS

UL listed to US and Canadian safety standards and suitable for damp locations.

WARRANTY

2-year limited warranty. Complete warranty terms located at

www.acuitybrands.com/CustomerResources/Terms_and_conditions.aspx

NOTE: Actual performance may differ as a result of end-user environment and application. Specifications subject to change without notice.
