

## FEATURES & SPECIFICATIONS

### INTENDED USE

Provides general illumination in residential and light commercial applications. Ideal for use in offices and all rooms in the home. **If required for commercial application or operation more than eight (8) hours per day, consult factory for available options.**

### CONSTRUCTION

Polished brushed bronze end caps have a stepped appearance for subtle design interest on this traditional linear fixture. A white, textured acrylic diffuser wraps around the side of the fixture to meet a polished brushed bronze trim that runs the length of the fixture. The diffuser lifts & shifts (lengthwise) to allow for tool-free re-lamping.

### OPTICS

Utilizes (2) 32W linear T8 lamps for energy efficiency, superior color rendering and long life (not included).

### ELECTRICAL

Standard with 120 volt, 60Hz electronic ballast ensures no flickering and quiet operation without interfering with other electronics.

For use with non-dimmable switches only.

### LISTINGS

UL listed to US and Canadian safety standards and suitable for damp locations.

### WARRANTY

2-year limited warranty. Complete warranty terms located at [www.acuitybrands.com/CustomerResources/Terms\\_and\\_conditions.aspx](http://www.acuitybrands.com/CustomerResources/Terms_and_conditions.aspx)

Actual performance may differ as a result of end-user environment and application.

Note: Specifications subject to change without notice.
