There has always been a fascination and allure of exotic lands and mysterious places that were part of the spice route. Medina, an oasis city in Morocco has provided inspiration for this grouping. The Medina collection is a reflection of this sanctuary. This classic Moroccan inspiration was beautifully crafted to impress. Bronze organza shades float inside open fretwork, hand finished in our silver leaf based Oxidized Bronze finish.

The Bellini Collection is inspired by early 19th Century European regency and Neo Classical empire crystal chandeliers. Its uniquely shaped rectangular crystals, faceted trim, and sculpted bobeches come together to create these sparkling pieces. Clear crystal and plated “Antique Quartz” crystals combine to make this collection truly unique.

Inspired by an 18th Century carved wood chandelier, The Astor collection offers a modern twist to a classic design. The star shaped frame encases a frosted amber glass, and is suspended by braided steel ropes. Cast arms are topped with French creme linen shades. Our Oxidized Bronze finish is hand applied over real Silver Leaf.

The Whitaker Collection is a fresh interpretation of the classic English pocket lantern. A traditional latched door allows for easy re-lamping. The polished nickel reflector is both historically accurate and increases light output. Designed with a 5 inch square black plate to allow easy installation on a home with lap siding. Features stainless steel frame, solid brass hinge and latch and powder coated steel roof & base. A four step finishing process of powder coating, hand finishing and two coats of outdoor polyurethane assure its weather resistance and lasting beauty.
