Ultra modern design featuring oval shape cast heads finished in your choice of Satin Nickel or Polished Chrome. Contoured Frost glass adorns the top for up-lighting and a Frost glass disc in the bottom allows for ambient down-lighting. Powerful xenon lamps make this fixture as functional as it is beautiful.

A strong elliptical structure formed from rectangular metal tubing creates the Vortex Collection, finished in a choice of Oil Rubbed Bronze or a mirror-like Polished Chrome. Frosted glass shades gently diffuse the powerful light created from xenon lamps. The large-scale pendants make a statement in a variety of rooms.

The Mesh collection starts with an industrial look, then takes it to another level with unmistakable touches of class and sophistication. Stout cylinders of clean, white glass and a textural layer of silver mesh mount onto a slice of reflective mirror to double their presence. Sleek disks of gleaming chrome form the cap and base for each cylinder, which house a crystal clear, xenon bulb for the ultimate in aesthetics and function.

Bejeweled in thousands of crystals over gleaming K9 crystals, Bijou glitters with the unmistakable radiance of rare diamonds. Encasing warm, soft glow within, the smooth orbs of chrome come to life as light shimmers and dances off the crystal-encrusted surface. Whether pendant, sconce, or flush mount, Bijou adorns the room in beauty and richness.

It was Shakespeare that said, "The stars above us, govern our conditions." And so it is with this amazing multi-light pendant series. Each unique glass cover supports handmade glass starbursts - Chrome hardware and a satin nickel-finish canopy complete each structure, and every little piece is adjustable to enhance your galaxy in a variety of different ways.

Biology meets technology in the Sensé life source. Chrome mirrored glass envelops a sphere of Xenon and seems to emanate the heart and soul of the space it inhabits. The clean, simple orb hovers closely or falls gracefully from the ceiling on its gently swirling lifeline.

With classy, understated elegance, Salzburg illuminates a room without calling attention to itself. Its sleek silhouette and mirrored chrome finish appeal to a contemporary sensibility, while its simplicity makes it at home among a vast array of décor styles. The versatile Novara pendant comes in either a single or triple LED configuration.

Softly glowing from within a circle of frosted acrylic glass strategically set into a chrome and matte white tile, Anglex elevates the proverbial round peg in a square hole to a new level. The sleek, contemporary slab of luminescence inconspicuously hugs the ceiling while casting cool light throughout the room.

The Elements collection offers the freedom of choice in lighting design. Start with the style selection—pendant, mini pendant, or wall sconce—then choose the right shape, square or circular, for the space. Wrap the lamp in one of four fabrics that will make just the right statement: Grass Cloth, White Weave, White Pleat, or Crimson. Finally, choose the perfect light source for the task. Whether fluorescent, xenon, or incandescent, this collection brings together all the right elements.

These contemporary, European-designed fluorescent outdoor fixtures are a perfect combination of energy efficiency and durability. The Zenith II Collection features die-cast metal frames painted with a polyurethane powder coat, finished in Platinum or Dark Gray. The durable white acrylic lens diffuses the light nicely. The fluorescent light source gives the ultimate in energy saving and long life.

  - 2700 K
  - 1680 Lumens
  - 10,000 Hours
*Made of die cast aluminum

DG Dark Gray

PL Platinum

PL Platinum

DG Dark Gray
The Beam II Collection features low-profile wall lighting designed with versatility and energy saving technology. Fixtures are constructed of stainless steel to allow for outdoor installation, and with the low-profile design, the Beam Collection can also be used interior for corridors and hallways with ADA compliance. The fluorescent light source saves energy and allow for maintenance-free operation. The White acrylic lens is durable and strong. The metal is finished in either Stainless Steel or Oil Rubbed Bronze.

Color Flex 24

Features
- Adjustable color temperature from 2900K to 5000K
- Plastic covered to reduce static failure
- Multiples lengths with soldered connectors for trouble free installation
- Suitable for damp locations
- Highly flexible material that is backed with 3M tape for easy installation

Applications
- Cove and toe kick accent lighting
- Outdoor covered porch and patio
- Under cabinet lighting
- Display case
- Restaurants and lounges
- Bathroom lighting

**24V 60w Class II Plug-In Driver**

- E53313
  - Electronic plug-in driver
  - 120V-240V input
  - 24V, 2.5A output
  - Short circuit protection, overload protection, over voltage protection
  - Operating temperature: 32°F to 104°F
  - Includes 72" 6-Pin output cord
  - Class II

**24V 30w Class II Driver**

- E53303
  - 5.7"L x 1.9"W x 1.2"H
  - Electronic direct wire driver
  - 120V-264V input
  - 24V, 1.25A output
  - Short circuit protection, overload protection, over voltage protection
  - Constant current
  - Operating temperature: -4°F to 140°F
  - IP64 rated
  - Includes 72" 6-Pin output cord
  - Class II UL 1310, UL-RU certified

**Color Flex Controller**

- E53398
  - Required to control Color Flex Tape
  - Adjusts color from 2900K to 5000K
  - 3 Preset modes 2900K-3500K-5000K
  - 6 DIY modes for customized settings
  - Controls up to 20' of Color Flex
  - Use E53386 amplifiers for additional 20' runs
  - Up to 12 amplifiers can be used with one controller

**4-Pin Connecting Cords**

- E53265 3"
- E53266 7"
- E53267 13"
- E53268 73"
  - Extend distance between driver & tape
  - Connect sections of tape together

**Mounting Clip**

- E53272
  - Use on irregular surfaces when 3M tape is not sufficient
  - Package of 20

**36" Aluminum Channel**

- E53254
  - Creates valance to conceal tape
  - Irregular surfaces installation
  - Includes screws for installation

**Heat Shrink Wrap**

- E53256
  - Secure connections when in walls
  - Waterproof in damp location installations
  - Heat gun required for installation
  - Package of 10

**24V 75w Class II Plug-In Driver**

- E53320
  - Electronic plug-in driver
  - 120V-264V input
  - 24V, 3A output
  - Short circuit protection, overload protection, over voltage protection
  - Operating temperature: 32°F to 104°F
  - Includes 72" 6-Pin output cord
  - Class II

**24V 60w Class II Driver**

- E53318
  - 7.1"L x 2.4"W x 1.4"H
  - Electronic direct wire driver
  - 120V-264V input
  - 24V, 2.5A output
  - Short circuit protection, overload protection, over voltage protection
  - Constant current
  - Operating temperature: -4°F to 140°F
  - IP64 rated
  - Includes 72" 6-Pin output cord
  - Class II UL 1310, UL-RU certified

**24 Amplifier**

- E53386
  - Used to synchronize multiple runs to one controller
  - Requires additional driver
  - Controls 20' of tape

**4-Pin 4-Way Connector**

- E53263
  - Allows for L, T & X installations
  - A power block for branching
  - Includes two E53264 and one E53262

**Plastic Wire Clip**

- E53255
  - Used to secure connecting cords & driver output cords to surface
  - Backed with 3M adhesive tape
  - Package of 10

**Male/Male Adapter**

- E53262
  - Changes female end to male
  - Package of 10
Rainbow Dial RGB Controller System

Rainbow Dial is a new user friendly way to control Rainbow Star tape. With this new remote you simply dial the color you wish to have. The color is displayed in the center of the dial so the remote does not have to be located in view of the tape. The Rainbow Dial controller has 16 pro-positioned changing patterns that are touch controlled. One remote can control up to 3 separate channels with additional E53601 controllers. Remote control can be wall mounted with bracket included. Remote is powered with a rechargeable battery (charger included).

E53600
Rainbow Dial Controller System
Includes:
• Rainbow Dial touch remote control
• Wall mount bracket
• Battery charger
• Rainbow Dial controller

E53601
Additional Rainbow Dial controller
• 16 color patterns
• Dimmable while on static colors
• Pause functions while doing skipping or gradual change
• 50 levels for brightness adjustment
• 50 levels for speed adjustment

Color Patterns
1. Static Red
2. Static Green
3. Static Blue
4. Static Yellow
5. Static Purple
6. Static Cyan
7. Static White
8. Colors Quickly Change
9. Red Fades
10. Green Fades
11. Blue Fades
12. Yellow Fades
13. Purple Fades
14. Cyan Fades
15. White Fades
16. Colors Gradually Change
ET-LED-C Series

With a sleek profile and direct wiring, this fully dimmable state-of-the-art LED under cabinet light easily installs under the cabinet and emits a crisp white light which illuminates without shadows. The hinged top gives easy access for installation and wiring. Cabinets stay cool and safe with LED light output.

Features
• Warm white 3500 K light
• Cool to touch
• CRI 70-75, 120 beam spread
• 50,000 life hours
• Multiple, full size knock outs
• Dimmable using a standard wall dimmer
• Linkable with or without cord using MXInterLink4

**Optional Components**

- **21” 6-Light LED**
  - E57964-WT White
  - E57964-MB Metallic Bronze
  - E57964-SN Satin Nickel
  - 21”L x 5”W x 1.25”H

**Warranty and Other Information**

- For specific and detailed warranty information, ask your ET2 Contemporary Lighting sales representative or visit www.et2online.com/warranty.
- ET2 Contemporary Lighting reserves the right to change details of design, materials, colors and finishes. Color may vary from what is pictured due to limitations inherent to the photographic process.
- Always consult a qualified, licensed electrician before installation of any product weighing 35 pounds or more. We recommend that a qualified, licensed electrician do installations. Always install to an electrically sound structure.
- Products in this supplement are UL, ETL and/or CSA certified. All electrical products are certified and listed to UL/CSA Standards for use in the United States of America or Canada.
- Bulbs are not included unless otherwise noted.
- Printed in China
